Declaration for TSCA

Date: April 06, 2021

Dear Valued Customer:

We, AAC (American Accurate Components, Inc.) declares that from the date of this declaration, the product and parts (including accessories, packaging materials and all other goods delivered with the product) delivered directly or through any third parties to your company by our company are fully in compliance with the following : "the chemicals that are listed as Persistent, Bioaccumulative, and Toxic (PBT) Chemicals under TSCA Section 6(h), issued under the final rules in December 2020 as required under the Toxic Substances Control Act (TSCA), as amended by the Frank R. Lautenberg Chemical Safety for the 21st Century Act. and any update thereof.

See the below link for the full list of chemicals under TSCA Section 6(h) and links to the final rules:

[https://www.epa.gov/assessing-and-managing-chemicals-under-tsca/persistent-bioaccumulative-and-toxic-chemicals-under](https://www.epa.gov/assessing-and-managing-chemicals-under-tsca/persistent-bioaccumulative-and-toxic-chemicals-under-tsc)

All our product do not contain the chemicals that are listed as Persistent, Bioaccumulative, and Toxic (PBT) Chemicals under TSCA Section 6(h), issued under the final rules in December 2020 as required under the Toxic Substances Control Act (TSCA), as amended by the Frank R. Lautenberg Chemical Safety for the 21st Century Act.

The undersigned hereby represents on behalf of AAC that the technical documentation for each of the Part(s) as required by the chemicals that are listed as Persistent, Bioaccumulative, and Toxic (PBT) Chemicals under TSCA Section 6(h) is maintained by the AAC at one of its business locations, and with respect to each Part, it has carried out, or caused to be carried out, the internal production control procedure as required by the chemicals that are listed as Persistent, Bioaccumulative, and Toxic (PBT) Chemicals under TSCA Section 6(h)

By signing below the undersigned hereby represents that he/she is an authorized representative of AAC with the requisite knowledge necessary to make the declarations and representations contained herein.
